

How can you help?

As a church we don't usually ask the public for donations but, on this occasion due to urgency and local interest, we are making an exception. This isn't just about fixing a roof; it's about preserving a piece of our community's history and ensuring that this beautiful space remains a safe haven for everyone. We believe in the importance of keeping our faith and heritage alive, and with your help, we can make it happen!

Please support this project with your prayers and, if you can, a direct gift, here is how:
